

Invitation to the social event of the WTAS

We are very happy to invite you to our social evening for the 13th Scientific Meeting for Autism Spectrum Conditions in Goettingen!

This year the social event will be held at Deutsches Theater Goettingen.

Here are the highlights of this year's event:

We will host the first WTAS' science slam in which researchers present their projects in an entertaining and accessible way on the theater's stage. Want to present your research? Register for the science slam!

For the ninth time, we will award the Weber-Bosch Prize for excellent academic work, as well as present the awards for our poster prize winners.

Afterwards, come join us for some dancing! Our DJ TeeDeeJay from Berlin is sure to get you moving.

As seats are limited, we recommend reserving your spot early.

Warm regards on behalf of the WGAS board,
